

The SUM Program for Medical Transcription Training
Inventory of Reports with Lengths in Minutes

Beginning Medical Transcription Unit, 2nd ed.			
DERMATOLOGY/PLASTIC			
Report ID	Length	Assigned	Lines
1. Emergency Department Report: Finger laceration	01 min 22 sec		
2. Letter: Lipectomy	01 min 50 sec		
3. Office Note: Lip lesion	00 min 34 sec		
4. Office Note: Atopic dermatitis	00 min 41 sec		
5. Office Note: Acne, pharyngitis	01 min 20 sec		
6. Office Note: Nevi	00 min 43 sec		
7. Letter: Pendulous breasts	02 min 09 sec		
8. History and Physical: Cellulitis of leg	02 min 08 sec		
9. Preoperative Note: Thumb graft for burn	00 min 58 sec		
10. Office Note: Bullous pemphigoid	00 min 40 sec		
11. Discharge Summary: Maxillofacial malformations	02 min 20 sec		
12. Discharge Summary: Fibrous histiocytoma	00 min 57 sec		
13. Discharge Summary: Cleft lip and palate repair	00 min 53 sec		
Dermatology Exam	07 min 34 sec		
BMT2 - GASTROINTESTINAL			
Report ID	Length	Assigned	Lines
1. Office Note: Irritable bowel	02 min 03 sec		
2. Office Note: Vomiting	01 min 44 sec		
3. Discharge Summary: Pancreatitis	02 min 07 sec		
4. Discharge Summary: Ileus	02 min 37 sec		
5. Discharge Summary: Fecal impaction	02 min 10 sec		
6. Preoperative Note: Emphysematous gallbladder	00 min 47 sec		
7. Discharge Summary: Ulcer and gangrenous cholecystitis	01 min 44 sec		
8. Discharge Summary: Alcohol-related pancreatitis	02 min 12 sec		
9. Discharge Summary: Acute appendicitis	00 min 49 sec		
10. Discharge Summary: Cholecystitis in pregnancy	01 min 40 sec		
11. Discharge Summary: Crohn's disease, abdominal fistulae	02 min 40 sec		
12. Discharge Summary: Prolapsed anus, hemorrhoids	01 min 41 sec		
13. Discharge Summary: Cholecystectomy, EGD	00 min 50 sec		
14. Discharge Summary: Colitis	03 min 22 sec		
15. Discharge Summary: Peptic ulcer disease, GI bleeding	03 min 36 sec		
16. Discharge Summary: Upper gastrointestinal bleeding	05 min 08 sec		
17. Discharge Summary: Acute appendicitis	02 min 13 sec		
18. Preoperative Note: Liver laceration	00 min 37 sec		
19. Preoperative Note: Appendicitis, phlegmon	00 min 36 sec		
20. Preoperative Note: Bile leak	01 min 00 sec		
Gastrointestinal Examination	07 min 03 sec		

The SUM Program for Medical Transcription Training Inventory of Reports with Lengths

BMT2 - CARDIOPULMONARY			
Report ID	Length	Assigned	Lines
1. Initial Office Evaluation: Acute bronchitis	02 min 38 sec		
2. Office Note: Bronchitis, upper respiratory infection	02 min 03 sec		
3. Office Note: Peripheral vascular disease	03 min 46 sec		
4. Preoperative Note: Tracheostomy	00 min 23 sec		
5. H&P: Chronic obstructive pulmonary disease, congestive heart failure, atrial fib.	01 min 40 sec		
6. Emergency Department Report: Code Blue, fatal trauma	01 min 59 sec		
7. Discharge Summary: Pneumonia, congestive heart failure	03 min 22 sec		
8. Discharge Summary: Dyspnea	03 min 00 sec		
9. Discharge Summary: Bronchitis, chronic obstructive pulmonary disease	01 min 50 sec		
10. Discharge Summary: Adult respiratory distress syndrome, sepsis, cardiac arrest	01 min 58 sec		
11. Discharge Summary: Bronchitis, congestive heart failure, death	01 min 40 sec		
12. Consultation: Pleural effusion, pneumopathy	04 min 26 sec		
13. Discharge Summary: Adult respiratory distress syndrome	01 min 56 sec		
14. Discharge Summary: Arteriosclerotic heart disease, atrial fibrillation	01 min 30 sec		
15. Consultation: Ischemic cardiomyopathy	06 min 20 sec		
16. Discharge Summary: Pneumonia, emphysema, arrhythmia	04 min 36 sec		
17. Discharge Summary: Status post myocardial infarction	01 min 04 sec		
18. Discharge Summary: Pulmonary edema, atrial fibrillation	05 min 22 sec		
19. History and Physical: Angina, coronary artery disease, for bypass grafting	03 min 19 sec		
20. Office Note: Atrial flutter post cardioversion	00 min 34 sec		
21. Office Note: Chronic obstructive pulmonary disease, status post MI	02 min 43 sec		
22. Electrocardiogram Rhythm Strip	00 min 34 sec		
23. Discharge Summary: COPD, pulmonary fibrosis, cardiomyopathy	05 min 06 sec		
24. History and Physical: Cardiac arrest, heart disease, ventricular fibrillation	02 min 30 sec		
25. Consultation: Pulmonary chest pain	03 min 24 sec		
Cardiopulmonary Examination	02 min 41 sec		

The SUM Program for Medical Transcription Training Inventory of Reports with Lengths

BMT2 - GENITOURINARY			
Report ID	Length	Assigned	Lines
1. Preoperative Note: Groin hernia	00 min 22 sec		
2. Preoperative Note: Penile prosthesis	00 min 45 sec		
3. Discharge Summary: Urinary tract infection	02 min 40 sec		
4. History and Physical: Ureteral stone	02 min 31 sec		
5. Discharge Summary: Bladder tumor	00 min 54 sec		
6. Discharge Summary: Inguinal hernia repair	01 min 14 sec		
7. Discharge Summary: Kidney stone	00 min 54 sec		
8. History and Physical: Bladder outlet obstruction	02 min 32 sec		
9. Discharge Summary: Pyelonephritis	03 min 08 sec		
10. Discharge Summary: Transurethral resection of the prostate	01 min 49 sec		
11. Consultation: Perinephric abscess	02 min 35 sec		
12. History and Physical: Pyelonephritis	02 min 44 sec		
13. History and Physical: Peyronie's disease	02 min 42 sec		
14. History and Physical: Bulbar urethral stricture	02 min 17 sec		
15. History and Physical: Renal insufficiency	05 min 28 sec		
16. Discharge Summary: Staghorn calculi	01 min 47 sec		
17. Discharge Summary: Testicular torsion	03 min 57 sec		
Genitourinary examination	05 min 49 sec		
BMT2 - ENT AND OPHTHALMOLOGY			
Report ID	Length	Assigned	Lines
1. Office Note: Otitis media, tooth decay	00 min 55 sec		
2. Office Note: Sinusitis	00 min 44 sec		
3. Office Note: Rhinitis	01 min 01 sec		
4. Office Note: Failed hearing test	01 min 31 sec		
5. Office Note: Pharyngitis	02 min 10 sec		
6. Office Note: Otitis media status post ear tube surgery	01 min 16 sec		
7. Discharge Summary: Tonsillectomy and adenoidectomy	00 min 43 sec		
8. Office Note: Septal deviation	01 min 58 sec		
9. Discharge Summary: Exudative pharyngitis	02 min 05 sec		
10. Discharge Summary: Epistaxis	02 min 18 sec		
11. Discharge Summary: Cellulitis of nasal vestibule	02 min 06 sec		
12. Preoperative Note: Blind eye	00 min 25 sec		
13. Discharge Summary: Retinal tear/cryopexy	00 min 42 sec		
14. Office Note: Blind eye, for enucleation	01 min 32 sec		
15. History and Physical: Cataract	02 min 04 sec		
16. Discharge Summary: Glaucoma	00 min 42 sec		
ENT/Ophthalmology Examination	04 min 46 sec		

The SUM Program for Medical Transcription Training Inventory of Reports with Lengths

BMT2 - HEMATOLOGY-ONCOLOGY-IMMUNOLOGY			
Report ID	Length	Assigned	Lines
1. Office Note: Melanoma	01 min 02 sec		
2. Preoperative Note: HIV positive, Mycobacterium avium complex	00 min 34 sec		
3. Preoperative Note: Liposarcoma	01 min 03 sec		
4. History and Physical: Prostate cancer	05 min 18 sec		
5. Discharge Summary: Chronic fatigue syndrome	01 min 29 sec		
6. Discharge Summary: Colon carcinoma	02 min 43 sec		
7. Discharge Summary: Anemia	01 min 04 sec		
8. Consultation: Mononucleosis	02 min 17 sec		
9. Discharge Summary: Mesothelioma	03 min 03 sec		
10. History and Physical: Pancreatic cancer	03 min 47 sec		
11. History and Physical: Bronchogenic carcinoma	03 min 11 sec		
12. Office Note: Brain tumor	01 min 01 sec		
13. Discharge Summary: AIDS	05 min 11 sec		
14. Discharge Summary: Bone marrow disease	04 min 35 sec		
15. Discharge Summary: Leukemia	08 min 44 sec		
Hematology/Oncology/Immunology Examination	05 min 11 sec		
BMT2 - NEUROLOGY/PSYCHIATRIC			
Report ID	Length	Assigned	Lines
1. Office Note: Schizophrenia	01 min 05 sec		
2. Office Note: Headaches, nervous	02 min 22 sec		
3. Office Note: Ventriculoperitoneal shunt	00 min 57 sec		
4. Office Note: Ventriculopleural shunt malfunction	01 min 05 sec		
5. Physical Therapy Progress Note: Brain stem infarct	02 min 45 sec		
6. Office Note: Schwannoma	00 min 38 sec		
7. Office Note: Headache history	04 min 02 sec		
8. Discharge Summary: Agoraphobia	02 min 20 sec		
9. Discharge Summary: Cerebral infarction	02 min 54 sec		
10. Consultation: Dementia	05 min 05 sec		
11. Consultation: Hydrocephalus	05 min 38 sec		
12. Consultation: Head injury (Comatose)	04 min 49 sec		
13. History and Physical: Slurring of speech, hypertensive encephalopathy	02 min 34 sec		
14. History and Physical: Occipital neuralgia	01 min 58 sec		
15. Discharge Summary: Cerebrovascular accident	03 min 59 sec		
16. Electroencephalogram #1	00 min 51 sec		
17. Electroencephalogram #2	00 min 49 sec		
18. Discharge Summary: Lacunar infarct	00 min 59 sec		
19. Office Note: Psychiatric evaluation	04 min 35 sec		
20. Discharge Summary: Altered mental status, confusion, hydrocephalus	04 min 42 sec		
21. Discharge Summary: Bipolar disorder	08 min 55 sec		
Neurology/Psychiatry Examination	06 min 18 sec		

The SUM Program for Medical Transcription Training Inventory of Reports with Lengths

BMT2 - OBSTETRICS AND GYNECOLOGY			
Report ID	Length	Assigned	Lines
1. Letter: Ovarian carcinoma follow-up	00 min 37 sec		
2. Office Note: Dysmenorrhea	01 min 52 sec		
3. Office H&P: Annual check with Pap	03 min 03 sec		
4. Office Note: Premature labor	01 min 01 sec		
5. Office Note: Status post hysterectomy	01 min 05 sec		
6. Office Note: Gardnerella infection	01 min 20 sec		
7. Office Note: Vaginosis	01 min 33 sec		
8. Preoperative Note: Breech fetus	00 min 29 sec		
9. Preoperative Note: Decelerations	00 min 52 sec		
10. Office Note: Post delivery recheck	00 min 43 sec		
11. Office Note: Post delivery cesarean section recheck	00 min 45 sec		
12. History and Physical: Vaginal infection	05 min 27 sec		
13. History and Physical: Term pregnancy in active labor	01 min 57 sec		
14. History and Physical: Uterine myomata	01 min 48 sec		
15. Discharge Summary: Cervical dysplasia	03 min 09 sec		
16. Discharge Summary: Status post delivery	02 min 44 sec		
17. Discharge Summary: Menorrhagia	01 min 28 sec		
18. Discharge Summary: Status post cesarean section, diabetes mellitus	01 min 00 sec		
19. Discharge Summary: Vaginal hysterectomy with anterior-posterior repair	01 min 33 sec		
20. Discharge Summary: Status post delivery, chronic hypertension	00 min 59 sec		
Obstetrics/Gynecology Examination	05 min 27 sec		

The SUM Program for Medical Transcription Training Inventory of Reports with Lengths

BMT2 - ORTHOPEDIC			
Report ID	Length	Assigned	Lines
1. Office Note: Osteomyelitis	00 min 46 sec		
2. Office Note: Shoulder instability	00 min 54 sec		
3. Office Note: Heel pain	00 min 22 sec		
4. Office Note: Shin splints	00 min 55 sec		
5. Office Note: Below-knee amputation	00 min 50 sec		
6. Office Note: Knee pain	03 min 56 sec		
7. Office Note: Prepatellar bursitis	00 min 29 sec		
8. Office Note: Meniscal injury	00 min 44 sec		
9. Preoperative Note: Trauma with fractures	00 min 38 sec		
10. Discharge Summary: Cervical and lumbar sprains	01 min 16 sec		
11. Preoperative Note: Humeral fracture	00 min 25 sec		
12. Preoperative Note: Arthroscopy	00 min 21 sec		
13. Preoperative Note: Knee pain	00 min 49 sec		
14. Preoperative Note: Hip pin removal status post hip fracture	00 min 40 sec		
15. Preoperative Note: Left lower leg injury	00 min 42 sec		
16. Discharge Summary: Sciatica	03 min 02 sec		
17. Discharge Summary: Hip fracture	01 min 20 sec		
18. Discharge Summary: Back pain	01 min 05 sec		
19. Office Note: Cervical radiculopathy	01 min 05 sec		
20. Preoperative Note: Gunshot wounds with fractures	00 min 45 sec		
21. Preoperative Note: Clavicle fracture	01 min 17 sec		
22. Consultation: Hip pain	01 min 11 sec		
23. Discharge Summary: Ankle fracture	01 min 33 sec		
24. Office Note: Lumbar disk herniation	01 min 32 sec		
25. Preoperative Note: Fibular shaft fracture	00 min 37 sec		
26. Physical Therapy Progress Note: Trouble walking	03 min 17 sec		
27. Physical Therapy Progress Note: Trouble with mobility	04 min 17 sec		
28. Discharge Summary: Open reduction and internal fixation of femur fracture	06 min 51 sec		
29. Discharge Summary: Back and leg pain	00 min 34 sec		
30. Discharge Summary: Fractured femur with pinning	02 min 14 sec		
Orthopedics Examination	07 min 27 sec		

The SUM Program for Medical Transcription Training Inventory of Reports with Lengths

BMT2 - PEDIATRIC			
Report ID	Length	Assigned	Lines
1. Office Note: Short stature, otitis media	02 min 04 sec		
2. Discharge Summary: Croup	00 min 37 sec		
3. Discharge Summary: Head injury	00 min 37 sec		
4. Discharge Summary: Diabetes mellitus	01 min 45 sec		
5. Initial Office Evaluation: Asthma	01 min 23 sec		
6. Discharge Summary: Newborn with hypoglycemia	02 min 48 sec		
7. History and Physical: Lymphadenitis, otitis media, pharyngitis	02 min 44 sec		
8. Office Note: Otitis media, diaper dermatitis	01 min 20 sec		
9. Discharge Summary: Rule out sepsis, viral infection	02 min 41 sec		
10. Progress Note: Septic baby	00 min 56 sec		
11. Progress Note: Status post cesarean section delivery	00 min 51 sec		
12. History and Physical: Newborn	01 min 49 sec		
13. History and Physical: Fever, vomiting, rule out sepsis	05 min 22 sec		
14. History and Physical: Carbon monoxide poisoning	02 min 59 sec		
Pediatrics Examination	04 min 46 sec
